

## Facilities

We offer various facilities to make your stay at our bed and breakfast as pleasant as possible. For example, if you choose the standard room, there are also various places where you can sit outside.

We have a free parking space at the back of our own property. You can rent bicycles (not electric) from us, but you can also store your own bicycle indoors with the option to charge your bicycle. Bringing pets is not allowed, just as it is not allowed to smoke inside.

The overview below allows you to clearly see the differences and similarities between the different types of rooms.
